

SAVORING CREATIVITY: MERRYLAND KINDERGARTEN'S SANDWICH DAY

Sandwich Day at Merryland Kindergarten is a delightful event where our little ones got to explore the world of flavours and textures through sandwich making. Guided by their teachers, and two Chefs the children participated in hands-on activities that involved spreading, stacking, and assembling various ingredients to create their own personalized sandwiches. This event not only introduced basic culinary skills but also encouraged creativity and independence in choosing ingredients. The joy on their faces as they proudly showcase their unique sandwich creations is a testament to the fun and educational experience provided by the school.

CELEBRATING READING

The kindergarten reading celebration organized by the literary club is an enchanting event that brings the magic of storytelling to the youngest members of the school community. The event not only encourages a love for reading but also introduces the joy of literature in a way that is accessible and engaging for the youngest learners. The literary club's commitment to fostering a positive reading culture from an early age sets the foundation for a lifelong appreciation for books and stories, making the kindergarten reading celebration a cherished and memorable experience for both the students and the literary enthusiasts involved.

PLANTING A SEED

The Kindergarten Planting a Seed Program, inaugurated by the school chairman, Mr. Aaron Grandon, through the Nature Club, marks a significant step towards instilling environmental awareness and a love for nature in the youngest learners. The Nature Club, dedicated to promoting eco-conscious initiatives, provided each child with a tiny seed and a small pot, symbolizing the beginning of a journey to understand the wonders of nature. The children, with wide-eyed enthusiasm, participated in the hands-on experience of planting their seeds under the guidance of club members. This program not only introduces the concept of growth and responsibility but also establishes a connection between the little ones and the natural world.

A VISIT TO AL RAHBA ORGANIC FARM

The kindergarten students of Merryland School embarked on an enriching journey to Al Rahba organic farm nestled in the heart of Abu Dhabi. Excitement filled the air as the young learners explored the lush greenery and vibrant surroundings of the farm. Surrounded by rows of colorful vegetables and the sweet aroma of blooming flowers, the children engaged in hands-on activities, learning about the importance of organic farming and sustainable practices. From planting seeds to harvesting fresh produce, each moment was a delightful adventure filled with discovery and wonder. The visit not only fostered a deeper connection with nature but also instilled values of environmental stewardship and healthy living in the impressionable minds of the kindergarten students, leaving them with cherished memories and newfound appreciation for the beauty of agriculture.

CREATIVITY UNLEASHED

In a jubilant display of creativity and imagination, the kindergarten children at Merryland School delighted in a charming Animal Parade adorned in whimsical animal costumes. With giggles and laughter echoing through the corridors, the little ones transformed into an array of colorful creatures, from fluttering butterflies to majestic lions and graceful giraffes. As they paraded through the school grounds, each step radiated with joy and excitement, igniting the imaginations of all who beheld the spectacle. With each child embodying their favorite animal, the parade became a magical journey through the wonders of the animal kingdom, fostering a sense of camaraderie and playfulness among the young participants. Through this enchanting experience, the children not only celebrated their creativity but also embraced the joy of self-expression and the beauty of diversity in the animal world.

CARE AND SHARE

The Care and Share program at Merryland Kindergarten is a heartwarming initiative that instills compassion and empathy in our youngest learners. Through various activities and experiences, children are encouraged to understand the importance of kindness, generosity, and helping others in need. From simple acts like sharing toys and snacks, the program nurtures a sense of social responsibility and caring citizenship from an early age. Through storytelling, role-playing, and interactive discussions, children learn about empathy and develop an understanding of the diverse needs of others. The Care and Share program not only cultivates a culture of kindness within the kindergarten but also lays the foundation for lifelong values of empathy, compassion, and altruism among our students.

MERRYLAND CHILDREN PERFORM AT EMIRATES PALACE HOTEL

The participation of Merryland's children in the Iftar cultural program organized by the office of HH Shaikh Hamdan bin Zayed Al Nahayan at the Emirates Palace Hotel in Abu Dhabi was a momentous occasion filled with pride and cultural exchange. The young participants showcased their talents and cultural heritage through captivating performances, including traditional dances, music, and recitations. Amidst the grandeur of the Emirates Palace Hotel, these children not only celebrated the spirit of Ramadan but also embraced the opportunity to share their rich cultural traditions with esteemed guests and dignitaries. Their participation not only reflected their artistic prowess but also demonstrated their appreciation for the values of unity, diversity, and community that are at the heart of the UAE's cultural tapestry. This unforgettable experience undoubtedly left a lasting impression on both the participants and the audience, fostering a deeper sense of connection and understanding among all who attended.

MATHEMATICAL MASTERY

Merryland boys have demonstrated their exceptional prowess in mathematics by clinching the first and second positions in the Annual Math Contest hosted by Abu Dhabi University. Their remarkable achievements underscore not only their profound understanding of mathematical concepts but also their dedication to academic excellence and problem-solving skills. With their innovative approaches and analytical thinking, they have risen to the top of a competitive field, showcasing their talents on a prestigious platform. The triumph of Merryland boys in the math contest is a testament to the school's commitment to fostering a culture of intellectual curiosity and academic achievement. Their success not only brings honor to their school but also serves as an inspiration to their peers, encouraging them to strive for excellence in their academic pursuits. As they celebrate their victories, the Merryland boys stand as shining examples of determination, diligence, and scholarly achievement.

MATH MAGIC UNLEASHED: EXPLORING NUMBERS BY KG MATH CLUB

In Merryland Kindergarten, the Math Club engaged our youngest learners in exciting and interactive mathematical activities recently in the presence of the school chairman, Mr Aaron Grandon, and the senior leaders of the school. Through engaging games, colourful manipulatives, and playful exercises, the Math Club fosters a love for numbers and problem-solving from an early age. The activities are designed to be both educational and enjoyable, promoting a positive attitude towards mathematics. Merryland Kindergarten recognizes the importance of making math a fun and accessible subject, setting the stage for future academic success.
