

KG NATURE CLUB

The Kindergarten Nature Club is an enriching program designed to introduce young children to the wonders of the natural world. Through a variety of engaging activities, such as nature walks, and gardening, the club aims to cultivate a love for the environment and instill a sense of curiosity about the world around them. Children actively participate in hands-on experiences, creating nature-inspired art, maintaining a small garden, and keeping nature journals to document their observations. The club not only fosters a deep appreciation for the beauty of nature but also instills important values such as respect for the environment, empathy for animals, and awareness of conservation practices. With a focus on age-appropriate and enjoyable activities, the Kindergarten Nature Club provides a foundation for lifelong environmental stewardship and a positive connection to the natural world.

CHARACTER DAY

Merryland Primary character day celebrations are joyous events that not only bring excitement to young learners but also foster a sense of creativity and community. These special days often revolve around encouraging children to dress up as their favorite characters from books, cartoons, or movies. The celebrations serve as a platform for nurturing imagination, boosting self-confidence, and promoting a love for literature and storytelling. It's a time when classrooms come alive with the magic of beloved characters, creating a memorable and inclusive atmosphere that enhances the educational experience for these early learners.

WASTE TO WEALTH FASHION SHOW

The Waste to Wealth Fashion Show organized by our children is an innovative and inspiring initiative that not only showcases creativity but also promotes environmental consciousness. In this unique event, young minds unleash their imagination by creating fashionable outfits using recycled materials and waste items. The event not only promotes sustainability but also raises awareness about the importance of reducing, reusing, and recycling. The Waste to Wealth Fashion Show by KG and primary students becomes a celebration of creativity, environmental responsibility, and a valuable lesson on how every small effort can contribute to a more sustainable and eco-friendly future.

COMMUNICATION IN THE PAST AND PRESENT

Enthusiastically delving into the realms of history and technological evolution, the primary school students embarked on an engaging project comparing the means of communication in the past and present. With curiosity as their guiding force, these young minds explored the transformative journey from ancient methods like smoke signals, carrier pigeons, and telegraphs to the modern era of smartphones, video calls, and instant messaging. The project not only encouraged a reflection on the fascinating evolution of communication tools but also fostered a deeper appreciation for the convenience and speed of contemporary technology. Through interactive presentations and creative displays, the students showcased their understanding of how these changes have interconnected the world, bridging gaps and shaping the way humans connect and share information. This educational venture not only honed their research skills but also instilled a sense of gratitude for the incredible advancements that have defined our interconnected society.

"NURTURING NATURE": STUDENTS UNITE TO GREENIFY THE SCHOOL GROUNDS

Students are actively participating in enhancing the ecological balance of their school environment by contributing saplings and plants. With an aim to foster a greener campus, students are enthusiastically engaging in tree planting initiatives, cultivating a sense of environmental responsibility and stewardship. Through this collaborative effort, they not only beautify the school grounds but also contribute to air purification, biodiversity conservation, and overall well-being. By nurturing these green spaces, students are instilling a culture of sustainability within their school community, promoting a healthier and more environmentally-friendly learning environment for all.

WORLD SMILE DAY

At Merryland School, the celebration of World Smile Day was a jubilant occasion, spreading joy and positivity throughout the campus. Students and staff alike embraced the spirit of the day by donning yellow dress and bright smiles and engaging in acts of kindness and compassion. Various activities were organized to uplift spirits and cultivate happiness, including cheerful assemblies, centered around smiles, and thoughtful gestures of appreciation. Laughter echoed through the halls as students participated in games and shared heartwarming stories, all aimed at brightening each other's day. As the school community came together to celebrate the universal language of smiles, it served as a poignant reminder of the power of positivity and the importance of spreading kindness wherever we go. The joyous atmosphere that permeated Merryland on World Smile Day was a testament to the school's commitment to fostering a culture of happiness and well-being among its students and staff.

GREEN DAY

At Merryland School, the celebration of Green Day was a vibrant and educational event aimed at raising awareness about environmental conservation and sustainability. Students and staff adorned themselves in shades of green, symbolizing their commitment to preserving the planet. Throughout the day, various eco-friendly activities and initiatives were organized. Green Day fostered a deeper appreciation for nature and encouraged students to become stewards of the Earth. As the school community came together to celebrate environmental stewardship, it served as a reminder of the collective responsibility we all share in safeguarding our planet for generations to come.

ANNUAL SPORTS MEET- PRIMARY

Merryland Primary School's annual sports meet is a vibrant celebration of athleticism, camaraderie, and school spirit. With boundless energy and enthusiasm, students from all grades come together to participate in a variety of exhilarating events. The sports meet not only fosters a healthy competitive spirit but also promotes teamwork, discipline, and resilience among the students. As they cheer on their classmates and showcase their skills on the field, the air is filled with excitement and pride. Parents, teachers, and supporters gather to witness the display of talent and determination, creating an electrifying atmosphere of encouragement and support. The sports meet at Merryland Primary School is a cherished tradition that instills values of sportsmanship and excellence, inspiring students to reach for their dreams both on and off the field.
